**Subject: Label Amendment for BIFENTHRIN TECHNICAL INSECTICIDE/MITICIDE
(EPA Reg. No. 70506-18)**

Dear Ms. Ondish,

This submission is being made to amend the label for BIFENTHRIN TECHNICAL INSECTICIDE/MITICIDE (EPA Reg. No. 70506-18) to expand the for formulation into uses to cover all potential formulation uses of the product. Please see the highlighted label noting the additional uses. We have also added the Spanish signal word with statement (though not required for a non-WPS product). In the Storage and Disposal section, the container handling statements have also been updated to include fiber drum with liner instructions.

The following are provided in support of this label amendment:

- Application for Pesticide Registration, EPA form 8570-1
- Highlighted label noting changes described above
- Clean label
- Data Matrix, EPA form 8570-34 – Agency copy
- Data Matirx, EPA form 8570-34 – Public copy
- Certification with Respect to Citation of Data, EPA form 8570-35

Should you require additional information or have questions concerning this submission, please contact me via email at crystal.layton@uniphos.com or phone at 229-583-3006.

Sincerely,

A handwritten signature in black ink that reads 'Crystal Layton'.
